At Eli's, really good things come in gift baskets.

Celebrate the year round with gifts of food for friends, family, clients and business associates. These festive baskets are available in several sizes from marvelous to magnificent. Obviously, the larger baskets contain a greater selection and quantity of Eli's house-baked classics and pantry essentials, but even the smallest basket is a joy to receive. These French crates are festooned with ribbons, lined with a tea towel and packed to order. Brighten any basket with the addition of a bottle of wine or spirits. Believe me, the gift of food is always in good taste. When time is of the essence expect same day or next day delivery in Manhattan.
